

Forest School and Nature Art Workshops

With Child of the Earth and Sian Lester, textile artist, at the Field of Beans, Boncath

Come and explore the magic of the Field of Beans through forest school activities and nature art.

With Child of the Earth you can play games, tend the food garden, forage, investigate biodiversity and chill with nature.

With Sian you can experience the processes of natural dyeing and make your own bunting to take home.

The workshops for young people and their families 8+ are FREE thanks to Social Farms and Gardens.

Please book your space for half or a full day by emailing Jen@awel.coop

**Location: Field of Beans Meigan Hill,
