Angen Aelod Gwirfoddol o'r Panel Grantiau

Asesu ceisiadau i Gynllun Grantiau Ceredigion Lleoedd Lleol ar gyfer Natur; gwneud penderfyniadau i ba rai i roi arian grant; a rhoi cyngor am unrhyw argymhellion neu amodau i'w gosod ar yr arian.

Bydd y swydd hon yn golygu bod yn bresennol mewn Cyfarfod Panel Grantiau ar-lein rhwng dyddiad ac ar amser a gaiff ei gadarnhau rhwng **dydd Llun 22 a dydd Gwener 25 Medi**. Bydd angen neilltuo amser hefyd cyn hyn ar gyfer darllen.

Swydd wirfoddol fydd hon. Ni chaiff aelodau'r Panel eu talu am eu hamser. Bydd pobl sydd â diddordeb yn cael cyfle i weithio gydag aelod o'r Tîm Bioamrywiaeth cyn y cyfarfod os hoffent gael ychydig gefnogaeth ychwanegol.

Mae'r cyfle hwn yn agored i unrhyw un sydd â:

- diddordeb a gwybodaeth am yr argyfwng ym myd natur a phrosiectau cymunedol i fynd i'r afael â hynny
- cymhwysedd i lunio barn am weithredu prosiectau, gan gynnwys rheolaeth ariannol

Byddwn am gael cydbwysedd o aelodau panel ar draws y sectorau cyhoeddus, preifat a gwirfoddol.

I fynegi diddordeb yn un o'r cyfleoedd gwirfoddoli hyn, neu os bydd gennych unrhyw ymholiadau, cysylltwch â biodiversity@ceredigion.gov.uk

Volunteer Grant Panel Member Wanted

Assess applications to the Ceredigion Local Places for Nature Grant Scheme; make decisions on which to award capital funding; and advise on any recommendations or conditions to be attached to the awards.

This role will require attendance at an online Grant Panel Meeting between on a date and time to be confirmed between **Monday 22nd and Friday 25th September**. There will also be a time commitment before this for reading.

This will be a voluntary role. Panel members will not be paid for their time.

Interested parties will have an opportunity to work with a member of the Biodiversity Team before the meeting if they would like some extra support.

This opportunity is open to anyone with:

- an interest in and knowledge of the nature emergency and community-based projects to tackle it
- competence to make judgements about project implementation, including financial management

We will be looking for a balance of panel members from across the public, private and voluntary sectors

To express an interest in one of these volunteering opportunities, or if you have any queries, please contact biodiversity@ceredigion.gov.uk
