

## **VOLUNTEERS WANTED: Join Our Medieval Farm & Campsite Adventure**

### **Help Us Build a Living History Farm in Bontnewydd**

We're embarking on an exciting journey to create something truly special: a working historical farm and campsite that brings traditional farming methods back to life. Located at Nash Farm in Bontnewydd, our project combines sustainable agriculture with heritage education, and we're looking for dedicated people to help make this vision a reality.

#### **The Vision**

Imagine a farm where ancient techniques meet modern sustainability. We're establishing a medieval-themed working farm featuring:

- Traditional growing methods and heritage crop varieties
- Heritage livestock breeds raised using historical practices
- An active campsite (we already hold a camping club exemption certificate for tents, yurts, shepherd huts, wooden huts, up to a maximum of 5 moveable units)
- Outdoor earthen ovens, a working forge, and structures built using cob and natural building methods, subject to permitted development/planning permission
- Educational experiences that transport visitors back in time

Our goal is to secure One Planet Council approval for sustainable development, with all profits reinvested into growing the project.

#### **Who We're Looking For**

We need a hardworking couple or friends (aged 30-50) who are ready for a long-term commitment and share our passion for heritage farming.

#### **Essential qualities:**

- Willingness to work hard and get your hands dirty
- Skills in basic repairs and maintenance
- Experience with animal care and growing produce
- Cooking and baking abilities
- General farm work capability

#### **Bonus experience (not required):**

- Historical farming techniques
- Traditional crafts
- Heritage breeds
- Brewing (mead, small beer, etc.)

Even if you don't have extensive farming experience, your passion for history and eagerness to learn traditional methods are what matter most.

#### **What We Offer**

This is volunteer work with genuine potential to develop into a paying business as the project grows. We provide accommodation and food, making this ideal for those seeking housing while being part of something meaningful and unique.

#### **Ready to Join Us?**

If you're excited about creating a living history farm and building a sustainable future rooted in the past, we'd love to hear from you. Get in touch via our Facebook page at

<https://www.facebook.com/nashfarmbontnewydd>

Tell us about your experience and what draws you to this project. Please also share this opportunity with anyone who might be interested!

Together, we can create an educational destination that celebrates traditional farming while building a sustainable future.
